5 key differences between
Success and Fulfillment

FIRST

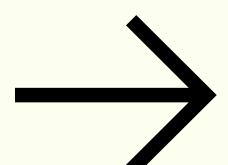

External **vs** Internal

- Success is often measured by external achievements—money, status, awards.
- Fulfillment is an internal feeling of contentment and meaning, regardless of external validation.

Success and Fulfillment

SECOND

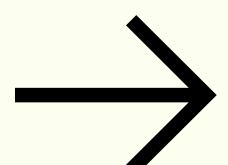

Goals **vs** Purpose

- Success focuses on achieving specific goals or milestones.
- Fulfillment is rooted in living with purpose and alignment with one's values..

THIRD

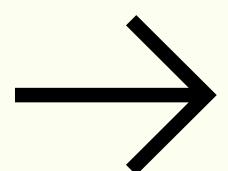

Temporary **vs** Lasting

- Success can be fleeting; once a goal is reached, new ones arise.
- Fulfillment offers lasting satisfaction that doesn't depend on constant achievement.

Success and Fulfillment

FORTH

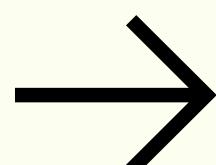

Comparison **vs** Self-awareness

- Success often invites comparison with others.
- Fulfillment is deeply personal and arises from knowing and honoring yourself.
